DOGS ELIGIBLE TO ENTER: These trials are open to all dogs 15 months of age or older, that are registered with the American Kennel Club or that have obtained AKC ILP, PAL, or AKC Canine Partners Listing numbers, or are approved FSS breeds. Dogs with a PAL/ILP or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance are not eligible to participate. For copies of the Regulations for Agility Trials, or the Dog Show Rules, write AKC, 8051 Arco Corporate Drive, Suite 100, Raleigh, NC 27617-3390 or call (919) 233-9767. The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. Puppies under 4 months of age and bitches in season are strictly prohibited from the grounds.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. The **Yorkshire Terrier Club of America, Rising Star Canine Ranch**, and the Trial Secretary, their agents, members, etc. assume no responsibility for any loss, damage, or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.

Entry fees for ill or injured dogs or bitches that come into season after the closing date will be refunded (minus administrative fee per run of \$5 for BIS, \$10 others) if a veterinarian's certificate is presented to the Trial Secretary prior to the start of judging. The unexpected death of a dog will be treated in the same manner. Entry fees will not be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

Up to 25 exhibitor entries may be wait-listed following the closing date. Full refunds will be made to exhibitors whose entries are replaced by wait-listed entries prior to the final closing date of May 5, 2023, at 6:00 pm.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Obstacles shall meet the specifications for obstacles in the current edition of "Regulations for Agility Trials". A warm-up area consisting of a regulation jump will be provided for all exhibitors, who may not use the warm-up area to relieve their dogs.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Exhibitors are responsible for complete, accurate, and legible information on their entry forms; illegible or incomplete entries will not be accepted. All entries must be made on official AKC Entry Forms or copies and **must include the signed Agreement**. No entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance.

MOVE-UPS: Move-up requests for Friday must be made in writing and must be received by the Trial Secretary no later than Monday, May 8, 2023, at 6 pm. They may be e-mailed to christina.tracey@outlook.com. Provide dog's call name, owner's name, original class entered and new class requested. Move-ups for Saturday and Sunday must include the above information and must be delivered to the Trial Secretary at the trial site no later than 15 minutes after the final dog has run. Dogs moved up will generally be placed at the end of the running order.

CONFIRMATIONS: If you provide a valid, legible, unblocked email address, your entries will be acknowledged via email when received. Final confirmation and a judging schedule will also be sent via email—you will NOT receive a confirmation via US mail. If you do not provide an email address, your confirmation of entry and judging schedule will be mailed to the address provided on your entry form. If you have not received a copy of your confirmation five days before the show, please contact the Trial Secretary.

MEASURING: Effective 1-1-2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores. **Judging will not be held up or interrupted for measuring!**

Owners are responsible for entering the proper height divisions. Handlers of dogs in Regular Classes may opt to run in a higher height division, but not in a division lower than their proper height division. Dogs entered in the Preferred Classes **MUST** jump in their measured division and are not allowed to jump higher or lower.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT
8 inches	4 inches	For dogs 11 inches and under at the withers
12 inches	8 inches	For dogs 14 inches and under at the withers
16 inches	12 inches	For dogs 18 inches and under at the withers
20 inches	16 inches	For dogs 22 inches and under at the withers
24 inches	20 inches	For dogs over 22 inches at the withers
24C	N/A	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches or under at the withers. Dogs who measure into the 24" regular jump height may not enter 24-choice.

VOLUNTEERS ARE APPRECIATED!

Workers will be provided snacks and drinks. Please sign up online at www.triaddogagility.com or contact worker coordinator Sandy Fisher at sandyfisher1080@gmail.com with your job preferences.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO) – WILL BE OFFERED AT THIS TRIAL

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
